

ICEM – Fire Team Leader course

Aim:

The aim of the ICEM Fire Team Leader course is to provide students with theory, skills and practical experience in operational planning activities and command control execution.

Course Overview:

Upon successful completion of the course, the student will have the ability to do the following:

- Carrying out emergency incident planning.
- Evaluating existing incident plans.
- Implementing relevant tactical and operational plans during emergency incidents.
- Monitoring and controlling resources during emergency incidents.
- Dealing effectively with post-incident procedures.

This course is designed for:

This course is designed for personnel from Industry, Government or private business who have the responsibility for leading or training emergency, fire and rescue teams.

Entry Criteria:

Students must have previously successfully completed the ICEM, or an equivalent, Fire Team Member course.

Health and Safety on the Course:

Due to the physical nature and demands of this course, students must be sufficiently fit to undertake strenuous, physical activities. Students must attend with suitable and sufficient Personal Protective Equipment (PPE) that is appropriate for the risks involved in fire and rescue operations. Alternatively, the college can provide students with PPE for the duration of the course.

Presentation and delivery:

Theoretical and practical.

Languages:

This course can be provided in the English or the Arabic language or in the English language with Arabic support.

Course staff and facilities:

Our professional instructors have the required technical knowledge and relevant operational managerial experience.

Number of candidates:

Minimum - 6

Maximum – 15

Please contact our marketing team to discuss terms for smaller or larger numbers.

Assessment and Examinations:

Students will be continually assessed throughout the course. We use a range of assessment techniques including a written test, a computer based multiple choice test, oral questioning and a practical skills demonstration.

Certification and Awarding Body:

Upon successful completion, the student will receive the International College of Engineering and Management (ICEM) certificate for Fire Team Leader.

Venue:

The International College of Engineering and Management (ICEM) Muscat Oman.

Duration:

5 days during one week from Sunday to Thursday. Daily timings are from 08:00 to 15:30.
